Singapore-based pianist Diana Chong performs in both solo and collaborative settings. Over the last three years, Diana has also been exploring her interest in music education, giving piano lessons in a one-to-one setting.When Diana first started piano at the age of six, it was not love at first sight. It was during her O'Level Music studies that her interest and attachment to music blossomed under the guidance of Ms Jane Chua. It was also during this period that she obtained her Grade 8 Piano certification from ABRSM (The Associated Board of the Royal Schools of Music). Diana continued her music studies, enrolling in the Bachelor of Arts (Hons) Classical Performance program at LASALLE College of the Arts. She studied piano under the tutelage of Mr Arkadiuz Bialak, and graduated in 2020.Over the course of her music studies, Diana had the opportunity to explore other genres of music and she instantly fell in love with all them; Pop, Jazz, Rock, Brazilian, and even Fusion. She hopes to explore, experience, and even take part in the different and unique cultures.
